A Jasmin Millers Cosmo Naturalitys

The Relation of Humanity To God is wholly impersonal. ‘Object Of’ signifies a co-existence with an action or an attitude.

The decimal positional numeral system, the decimal referring to the use of 10 symbols—0, 1, 2, 3, 4, 5, 6, 7, 8, 9—to construct all numbers.

The ‘objects’ are a thing that does now ‘exist as the other’ and is to be in a Natural Relation with us all , symbolically, as the values are represented by using the symbols in the hexadecimal binary system , and also the decimal positional numeral system.

Hexadecimal is a numbering system with base 16. It can be used to represent large numbers with fewer digits. In this system there are 16 symbols or possible digit values from 0 to 9, followed by six alphabetic characters -- A, B, C, D, E and F.

For example:

The amount of times the word God is in the NKJV Holy Bible is 4117, and it does begin with a 4, I believe this is why. The Genesis Theorem.

The relation to God(4117) is the ‘Good’(7114) for oneself and it is able to make ONE happy, ONLY.

This is the Framework for the ancients truest ethics and the modern black females metaethics: The Truth.

The word God is represented by the whole number of 4117.

1. ***(4)+1=**5**

2. *(5)+1=***6

3. *(6)+1=**(7)

The #4 is represented by the word ‘ Alpha’ in the NKJV Holy Bible.

The #5 is represented by the word ‘Omega’ in the NKJV Holy Bible.

The #6 is represented by the words ‘ the mark of the beast’ in the NKJV Holy Bible.

The #7 is represented by the word ‘Jehovah’ in the NKJV Holy Bible.

1. 4+5+6=15 * - 3=12, x3=45, +3=18, /3=05(represented by the word ‘tested’ in the NKJV Holy Bible)(12+45+18+05=80 + 1 is why I believe the speed of light squared is 81,000,000,000)

2. 7+5=12 **

3. 6 ***

The word ‘Father’ is represented by the number 1512, and with the 6 becoming ‘ the mark of the beast’ we are the children of the father, who is the Lord, our God, WHO BROUGHT US OUT OF EGYPT.

The NKJV Holy Bible states:

for the LORD our God *is* He who brought us and our fathers up out of the land of Egypt, from the house of bondage, who did those great signs in our sight, and preserved us in all the way that we went and among all the people through whom we passed.

God's number 4117 is represented alphanumerically as, 4+1=5=E , AND 1+7=H.

The NKJV states:

John 1:1

New King James Version

The Eternal Word

1 In the beginning was the Word, and the Word was with God, and the Word was God.

The discovery that I , Jasmin Miller, have made is that the amount of times that words are in the NKJV Holy Bible are representated by a number, or as a single digit.

For example:

4117(ALPHANUMERIC IS D=4 O=1 O=1 G=7) is the amount of times that I have counted the word God in the nkjv Holy Bible.

If you have -0, 0, and 1 is equal to 3 digits and is counted as 1 number (-001) ,therefore, it is seen as 4, then. This , I believe , is the explanation of 'the beginning.'

The NKJV states:

Genesis 1:31

Then God saw everything that He had made, and indeed *it was* very good. So the evening and the morning were the sixth day.

I believe that this is metaphysically represented here:

4. ***(4)+1=****5**

5. *(5)+1=***[6]
6. *(6)+1=**(7)
7. The[6]is formed from the word God and the number 4117, which is the Father, and is represented by the number 1512 in the NKJV, from God's number 4117, and can be seen as such, *4+*5+*6=15 and **7+**5=12.
8.
